

See the Zoo in the Dark

Night Vision Scopes Reveal Wildlife is Wilder After Dark

What: Join Zoo Director David Tetzlaff for a private guided tour of Naples Zoo after night falls. See the nocturnal activities of rare animals in the dark including tigers and lions using night vision scopes. After an orientation to night behavior on the video screens in Safari Canyon and an equipment review, Tetzlaff and staff will lead you into the darkness for a two hour tour which includes a night cruise through islands of monkeys, lemurs, and apes. More info at **www.napleszoo.com/night**

Booking Info: **The last two years of tours sold out.** Only two tours are offered a month during the winter months only. All guests must be strong walkers in good health and sign a release form. Cost per person is \$69.95 plus tax or \$54.95 plus tax for Naples Zoo Members. Credit card number needed to hold reservation. Because of the nature of this experience, participants must be at least 14 years of age. A release form must be signed prior to departure for this activity. Each minor must be accompanied by a legal guardian. **Call for reservations: 1.239.262.5409 ext. 127.**

When: **First Tour: Friday, January 6 at 7 p.m.**
Upcoming dates: January 27, February 3 & 22, March 8 & 24

Where: Naples Zoo at Caribbean Gardens
at 1590 Goodlette-Frank Road

Why: Night vision technology allows guests to appreciate a completely different side of the natural world by revealing the nocturnal activity of many animals typically seen resting during the day. The natural jungle-like environment of the zoo offers an exciting location to explore these wonders.
